

Compliance Areas Covered

Adiabatic Cooler
Adiabatic Cooler Legionella Risk Assessment
Air Compressor System
Expansion Vessel - Closed Water Systems
Air Conditioning Inspection (TM44)
Air To Water Heat Pump
Asbestos Management
Aspirating Smoke Detection
Calorifiers
Chemical Dosing
Chlorine Dioxide Dosing
Cold room system
Cold Water Storage Tank
Compressor Dryer Package - Desiccant
Compressor Dryer Package - Refrigerant
Condenser - Air Cooled
Controlled Entry Gate/Barrier
CRAC Unit
Data centre cooling plant - Chilled Water
Data Centre Cooling Plant - DX
Direct Fired Water Heater
Domestic Water Quality Sampling
Dry Riser System
DX Split System
Electric Vehicle (EV) Charging Equipment
Electrical Safety Checks (EICR)
Emergency Lighting Self-Test System
Emergency Lighting System
Fall arrest system
Fire Alarm System
Fire Blanket
Fire Compartmentation
Fire Damper
Fire Extinguisher - Carbon Dioxide
Fire Extinguisher - Foam
Fire Extinguisher - Powder
Fire Extinguisher - Water
Fire Extinguisher - Wet Chemical
Fire Hydrant
Fire Risk Assessment
Fire Shutter
Fire Suppression System
Fire Suppression System - Catering
Free-Fall Fire Valve - Gas and Oil
Fuel Separator System
Gas Appliances - Kitchen

Gas Boiler
Gas Detection System
Gas Fire
Gas Fired Humidifier
Gas Fired Radiant Heater
Gas Governor
Gas Safety Shut-Off Valve - Manual
Gas-Fired Heat Exchanger
Generator - For life safety
Generator Oil Bulk Tank
Generator Oil Bunk Tank
Ground Source Heating - Heat Pump
High Efficiency (HEPA) Air Filter
Hoist - Travelling Crane
Hotwell/Boiler Feed Tank System
HV Switchgear
Independent Legionella Risk Assessment
Intruder alarm
Isolated Power Supply (IPS)
Kitchen Extract Ventilation
Laboratory Fume Cupboard Ductwork
Laboratory Gas Alarm System
Laundry Chute (Damper)
Lift - Impaired mobility platform
Lifts - Goods
Lifts - Passenger
Lightning & Surge Protection System
Local Exhaust Ventilation (LEV) System
ManSafe System
Manual Evacuation Chair
Mobile Dust Separator for Spot Extraction
Mobile Electronically Controlled Cyclone Separator
Motor Driven Exhaust Hose Reel
Motorised Evacuation Chair
Motorised Stair Climber
Movable room divider
Nurse Call System
Oil Boiler, Burner & Heaters
Oil Storage Tank - Above Ground
Packaged Chiller Unit
Packaged Steam Generator
Pedestrian Door - Powered
Pillar Jib Crane
Platform Lift
Pressure Reducing Valves (Steam)
Public Address & Voice Alarm (PAVA) System
Refrigeration Evaporator

Revolving Pedestrian Door
Roller shutter - Powered
Safety Valves
Separator
Settlement Tank - Sewage Treatment
Smoke Control System
Smoke Curtain
Solenoid Gas/Oil Shut-off Valve
Spring Recoil Hose Reel
Sprinkler System
Steam Boiler
Steam Distribution System
TMD
Tripod Turnstile - Powered
UPS
Ventilated Work Station (LEV System)
VRV/VRF System
Water Softener
Water Softener - Steam
Wood Dust Extraction
